

## Chesapeake Accident Investigation FORMS

### How to use these important TOOLS

#### Includes:

**Employee's Report** of Injury Form

> **Accident Witness Statement Form**

Supervisor's Accident **Investigation Form** 

Forms may be copied as needed. Forms are also available for printing in pdf format online at www.ceiwc.com.

#### **Need Help?**

If you would like assistance in setting up supervisory training on how to use these forms, please contact your Chesapeake Claims Adjuster or Safety Management Consultant at 1-800-264-4943.

Accident investigation forms/statements should be filled out by the injured employee, supervisor and any witness to the accident.

**IMPORTANT** - Care must be taken to assure the investigation is fact finding, not fault finding. Obtaining signed statements as soon as possible following an accident ensures that you, the employer, have an accurate account of how the injury occurred. These completed statements are important in helping to correct hazards and prevent the accident from recurring. They also help to spot possible third-party liability as well as possible fraudulent claims.

#### After I have these forms completed, what do I do with them?

Please send the completed forms to your Claims Adjuster and keep a copy for your files. These completed forms can provide valuable information in a claims investigation of an injury and for developing the defense in the event of a workers' comp hearing.

#### What if my injured employee is physically unable to fill out the **Employee's Report of Injury?**

Use common sense and good judgement. If the injury is severe, remember, your employee's health and care are first and foremost. If possible, have the form filled out at a later, more appropriate time when the employee is physically able to document the accident.

#### What if my employee refuses to fill out or sign an Employee's Report of Injury?

Of course, you cannot make an employee fill out the document. You can, however, stress the importance of getting his or her account of the accident to set the record straight and to help prevent the accident from happening again. Also, still obtain the supervisor's report as well as any witness statements.

#### What if my Employee has retained an attorney? Can I still ask the injured employee to fill out an Employee's Report of Injury?

Yes. You, the employer, as part of your company's accident management plan, can still ask the employee to fill out the report form.
