In the Fall of 2016, the Maryland Institute for Emergency Medical Services Systems' Office of Licensure and Certification will unveil its new web-based licensure system that will allow users to apply for and manage their certifications, licenses, service affiliations and continuing education. Over the next several months, our office will work to make many of our paper-based applications available in an online format in order to streamline application processing and improve upon our customer service. We thank you for your patience as we make this transition and look forward to serving you in the future.

- Select the Affiliation Level of “Public Safety Personnel”

The screenshot displays the 'ePIN5 Affiliation Request' form within the 'INSTITUTE FOR EMERGENCY MEDICAL SERVICES SYSTEMS' portal. The page header includes the Maryland state logo and the text 'Office of EMS Clinician Services'. A navigation bar at the top contains links to 'MIEMSS Home Page', 'MIEMSS Online Training Center', 'National Registry', and 'eMEDS'. A user is logged in, as indicated by 'Welcome [redacted] Logout' in the top right.

On the left, a sidebar menu lists 'My Account', 'Applications' (with a 'Continue' button and a count of 8), 'Education', 'Services', 'Lookup', and 'Manage'. The 'Applications' section is active.

The main content area is titled 'ePIN5 Affiliation Request' and contains 'Section 1'. Under the heading '*Affiliation Level', several radio button options are listed: 'Driver/Pilot', 'Public Safety Personnel', 'Medical Director', 'Admin Personnel', 'Registered Nurse', 'Commercial Non-Maryland Clinician', and 'Other'. The 'Public Safety Personnel' option is selected, highlighted by a red rectangular box, and pointed to by a red arrow. Below this, the '*Service' field is a dropdown menu currently showing 'Select Service'. At the bottom of the form, there is a question '*Is this your primary affiliation?' with 'Yes' and 'No' radio button options. A 'Submit' button is located at the very bottom of the form.

- Complete the application as required and click “Submit” when complete.
