

This May, fire departments across the country will unite for the [National Fallen Firefighters](#)

[Memorial Weekend](#)—the official national tribute to firefighters who made the ultimate sacrifice in the line of duty.

The National Fallen Firefighters Foundation invites your department to stand in solidarity with the fire service and show visible support for the families of the fallen by participating in two meaningful, department-led tributes.

Departments are encouraged to participate in one or both tributes.

of **May 2–3, 2026.**

For generations, the bell has called firefighters to duty, marked alarms, and honored those who made the ultimate sacrifice. Ringing the bell during Memorial Weekend continues this time-honored tradition and creates a powerful moment of reflection within your department and throughout your community.

Ring Bells in Remembrance on May 2-3, 2026

The National Fallen Firefighters Foundation invites communities nationwide on May 2-3, 2026, to participate in **Bells Across America for Fallen Firefighters**, an annual tribute to honor the sacrifice and legacy of America's fallen firefighters.

We encourage fire departments, call centers, places of worship, and community organizations to **ring bells in remembrance**—at firehouses, in worship spaces, or anywhere your community gathers. Each ring sends a powerful message to fire hero families: their loved ones are remembered and their sacrifice will never be forgotten.

Share why you ring—who they honor and what this tribute means to them—and discover additional ways to participate during the **2026 National Fallen Firefighters Memorial Weekend** at www.bellsacrossamerica.com
